

## **Policy on Corporate social responsibility (CSR) initiatives and other philanthropic activities**

### **Preamble:**

Since its incorporation, Arif Habib Corporation Limited (AHCL), its subsidiaries and associated concerns (AH Group) continuously strived to contribute to the sustainable development of society through its business activities and actively discharging its Corporate Social Responsibilities in numerous areas of community development.

The objective of this policy is to serve as useful guiding principle to take initiative to contribute to harmonious and sustainable development of society and the earth through all business activities that we carry out and in the evaluation of proposals received from our various stakeholders for CSR projects, programmes and activities.

### **Policy:**

The AH Group promotes its corporate social responsibility (CSR) activities based on the conviction that all business activities must take CSR into consideration.

We are vigilant in our enforcement of corporate ethics and compliance and constantly work to improve educational and community development programs and strengthen our internal control system. At the same time, we pursue initiatives related to quality management, environmental preservation, philanthropy and improved communication with all stakeholders.

### *CSR Policy Guidelines*

Apart from the AH Group's own charitable foundation i.e. Arif Habib Foundation, AH Group shall undertake social, philanthropic or community development programs which are in alliance with its business strategies or that which will benefit the broader interests of the community that includes:

- Education
- Health Sectors
- Community Building

Credibility and reputation of the charity organization seeking assistance must be considered.
